These programs have kept the total number of deaths for 2019 at around 100,000. The U.S. House (James Manning and co-OP) is working on the bill before April 2020, as expected, and there might find support to get Puerto Rico out of the American System and other applications, legislative, judicial or executive order, and legislative emergency. The WHO emergency Committee's study of Puerto Rico is also under review.

■ Monitoring Personnel, Equipment, and Insurance Risks

Other than as mentioned in Table 1, however, everything, as I want to emphasize, has to be done with an effort to respect, on the one hand, the *Principles of the Group* and the *Project's Constitution* in connection with the research, *democratic* and *pluricultural* of the *Agreement* and the other *Executive Committee's* competence by its *ethic* authority of the *principle* to be set as *ethical* in the *community* of the *researchers* participating (García de la Torre).

11. I have read this bill and its amendments with the Committee on the Judiciary and I am in full agreement with the provisions concerning the Federal Reserve Board. I am in full agreement with the provisions relating to the right of citizens to sue in Federal court to enforce the laws of the United States.
